**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition as a consumer in California. Please enable more providers to compete for my business by working on better products and lower prices.

Broadband is critical to my work - teleconferences and other remote communication- and kids school - research and homework submissions- as well as out primary entertainment.
